

RVCC Weekly Nursery Inspection Checklist

Our children are very precious. By performing a weekly inspection of the Nursery, we can help to ensure that the children in our care are safeguarded and that ministry can continue without incident.

| Check Point | Yes | No |
|--|-----|----|
| Are all electrical outlets equipped with childproof covers? | | |
| Is the refrigerator clean and free of old foodstuffs? | | |
| Are all toys clean, in good working order, and without small pieces? | | |
| Are crib mattresses less than two finger widths from crib frame? | | |
| Is the crib rail at least 26 inches above the top of the mattress support? | | |
| Are cribs free from loose or protruding pieces? | | |
| Are changing tables in good working order? | | |
| Are bumper pads available in cribs for children who cannot stand? | | |
| Are all medications out of reach of children? | | |
| Are door locks in good working order? | | |
| Are supplies replenished and conveniently available? | | |
| Are refuse containers clean and empty? | | |

Person completing inspection: _____ Date: _____.

All items marked "no" should be corrected immediately. If items need repair, immediately remove them from use, report them to the appropriate person, and do not use them until repairs are completed.
